

# Master Black Belt

## Certification

www.MoreSteam.com | +1.614.602.8190

### BENEFITS

- A deep and relevant curriculum that increases your value as an employee
- A flexible mix of online and live training that you can complete in any order
- Only two weeks required away from the office
- Certification from The Ohio State University

### TOP FEATURES

- A flexible, blended model where you control the pace and order of the coursework
- A balanced, rigorous curriculum that covers the advanced leadership and technical skills employers value
- Qualified instructors from Ohio State, MoreSteam and Minitab, Inc., representing decades of professional Lean Six Sigma experience

### NO HIDDEN FEES

The cost for the entire program - course work and certification process - is \$11,000. This represents about half of the cost and classroom time of an equivalent instructor-led program.

For more information, including our current classroom schedule, visit [www.moresteam.com/](http://www.moresteam.com/) or contact MoreSteam at +1.614.602.8190 or [sales@moresteam.com](mailto:sales@moresteam.com).

**MoreSteam.com has partnered with the Fisher College of Business at The Ohio State University to present a unique, innovative Master Black Belt development program.**

**Join your peers at a Top-10 Business School\* for World-Class MBB Training and Certification.**

Experienced Lean Six Sigma Black Belts receive two weeks of classroom instruction on the Ohio State University campus in Columbus, Ohio blended with 72 hours of online learning on advanced topics provided by MoreSteam.com.

***Blended Learning: Affordable Instruction, Conveniently Delivered***

Blended Learning - the combination of live, recorded and self-paced training materials - is the fastest and most effective way to learn.

This jointly run program is specifically designed for busy, experienced Lean Six Sigma Black Belts who want to quickly achieve their mastery of the Master Black Belt Body of Knowledge.

You'll be taught by qualified instructors from academia and the business world. We schedule the on-campus classes each quarter, and the e-Learning is available on-demand.

## Prerequisites

Participation is limited to **Certified Black Belts**. This is a rigorous Master Black Belt program that assumes a mastery of the full Black Belt body of knowledge as a foundation as described by the Center of Operational Excellence Web site: <http://fisher.osu.edu/centers/coe/lean-six-sigma-black-belt-certification-standards/>

## Earning Your Certification

Once you have completed the coursework and developed enough experience, you are eligible for the certification process. Graduates receive a Master Belt Certification from The Ohio State University.

*"I got into the right program (the best) and learned way more than I thought I would...I made good contacts and good friends. [I'm] looking forward to continuing my relationship with MoreSteam!"*

- Rick Wiltse, Tremco, Inc.

*"The Master Black Belt program helped guide me, an experienced Lean Six Sigma Black Belt, towards a higher awareness of process excellence. The comprehensive, yet flexible, combination of classroom and online training helped prepare me to take my game to the next level."*

- Tim Rollo, Fresenius Medical Care North America
